### Documents to be submitted with Cover Sheet:

1. Developmental Questionnaire (Elementary) or Application Form (Middle School/High School)
2. Health Form
3. Official School Transcript or Report Cards - minimum of 2 years (must include all high school records)
4. Two visa size photos
5. Copy of Applicant's and Parent's Passports and Visas if required to live in Vietnam
6. Application Fee (US \$200)

If appropriate the school will require information to evaluate the child's ability to be appropriately educated within the parameters of the school's program of study. This may include ESL testing, math testing and an assessment for learning differences. The school does not provide programs for children with learning differences that cannot be accommodated within the regular program of study.

**Please note that completion of the application process does not guarantee admission.**

**Who will be responsible for payment of tuition?** \_\_\_\_\_
